

EMPLOYMENT OPPORTUNITY

Civil Engineering Technologist

Bring your demonstrated skills and experience in the field of engineering technology to the Town of Perth, a community of approximately 6,000 in Lanark County renowned for its heritage architecture and quality of life.

Reporting to the Manager of Environmental Services, the Engineering Technologist will be a key member of the Environmental Services team, working with the current Engineering Technologist and other members of the Department. Key duties include:

- Designing municipal infrastructure including water, wastewater, drainage, and road systems.
- Performing estimates and preparing tender documents, quotations, and engineering drawings.
- Collecting, preparing, interpreting, and maintaining municipal infrastructure information.
- Supervision and direction of contractors and personnel working on municipal infrastructure projects.
- Providing technical support to Environmental Services operations staff, including supervision of seasonal staff.

Preference will be given to applicants who have graduated from a 3-year Civil Engineering Technology course, have existing (or prospective) membership with OACETT, and have several years of engineering technology experience, preferably in a municipal setting. A valid Class 'G' drivers licence is also required.

This is a full-time (40 hr. per week) non-unionized position offering a competitive salary (2010 rates \$24.40 - \$28.67 per hour) and a comprehensive benefits package. A detailed job description is available upon request. Individuals interested in this challenging and rewarding position should submit their resume and covering letter, **no later than 4:30 p.m., Friday, August 6th, 2010**, outlining how their skills and experience match the position requirements, to:

Jan McFadden
Town of Perth, 80 Gore Street East
Perth, Ontario
