FOR IMMEDIATE RELEASE: February 4, 2010

**PDCI LOCAL HISTORY CLASS AND PERTH MUSEUM MAKE HISTORY
AS THEY PARTNER TO UNVEIL SHORT FILMS PRODUCED BY
STUDENTS WHICH FEATURE STORIES FROM HERITAGE PERTH!**

Do you enjoy a nice crisp evening out in early February? The Perth Museum offers a unique setting, at a unique time of year for the 1st Outdoor Film Screening in downtown Heritage Perth. The Perth Museum and PDCI local history class invite the community to join us as we project short films produced by PDCI students on the wall in the Museum courtyard. We encourage you to dress warmly as we venture outside for our film premiere. Hot chocolate and popcorn will be on hand.

Local history teacher Tim Zander has encouraged his students to use the primary sources in our town for their projects. Students were encouraged to visit the Museum, library and to interview Perthites to capture some of our interesting stories.

Perth: The Heritage by Cole Norton and Daniel Roy followed by **Family Affairs** by Shel Productions will be featured on February 11th at 6:30 pm at the Perth Museum. Highlights of other projects will be shown during the evening inside the Museum.

Please join us as we step forward in history and combine history and technology as seen by the youth in our community.
