Whether you are planning a fun-filled weekend, a business trip, a banquet, a convention, or a wedding in Heritage Perth, you will find a variety of accommodation options, all accompanied with a warm, friendly atmosphere and helpful assistance to make your excursion to Heritage Perth an enjoyable one to remember.

Among a range of bed and breakfasts, you'll find modernized 19th-century farmhouses, restored mansions, cozy chalets, lakeside retreats and elegant in-town homes close to all amenities. Many of the facilities are historic sites in themselves. Some locations offer wedding packages, healing and health programs, cooking classes, convention facilities, wildlife viewing opportunities, spas and unique menus.

Heritage Perth and local area accommodations cater to everyone from large families looking for a fun-filled vacation to the single business traveler. There are a number of campgrounds, cottages, lodges and resorts in Heritage Perth and area, providing anything from four-season luxury excursions to wilderness experiences.

In addition to several motels, Perth also features a boutique hotel. A new four-storey, 59-room hotel is being developed to be completed for the 2006 season.
