

Planning a wedding? Come to Heritage Perth for that special day in your life. We have all the amenities to make you and your guests feel comfortable and special, providing everyone with unforgettable memories, and the picturesque settings in which to take those memorable photographs.

For some time, Heritage Perth has been the setting for weddings and wedding photographs. To understand why, simply take a walk through beautiful Stewart Park and along Tay Basin across from the Town Hall. All are within close proximity to accommodations, restaurants, specialty shopping and churches within the downtown core. After the wedding festivities, you can leave your guests to explore historic sites, beautiful parks and recreation facilities which abound in the Heritage Perth area, or become absorbed in a theatrical production, music at the bandstand and various indoor locations, or one of a variety of festivals throughout the year. However, better yet, why not join your guests and spend your honeymoon in "The Prettiest Town in Ontario" as voted by TV Ontario.

As you plan your wedding, consider making use of a variety of Heritage Perth's specialty shops, boutiques and services which can provide a range of wedding gifts, wedding party favours, bridal gowns and apparel, casual wear, floral arrangements and designs, beauty and hair care, travel arrangements, wedding planning, photographic requirements and exquisite picture framing.

For a range of accommodations, from waterfront cottages to bed and breakfasts in historic and beautiful settings to boutique inns catering specifically to weddings, see the Heritage Perth Lodgings factsheet and explore your options. For catering and banquet services to elegant dining to establishments which offer a quick meal or pub fare, see the Heritage Perth Dining factsheet.

Come, explore, enjoy, and make us a part of your special day!
