This application is filed with the understanding that the issued permit is limited to the following uses.

1. Extended parking in a legal parking space for contractors carrying out repair and maintenance work.
2. Active pickup and delivery service not exceeding 15 minutes in a Loading zone.

A permit holder must otherwise conform to Town of Perth traffic and parking by-laws. The permit does not permit parking in a fire access route, a disability parking space or any no parking zone.

I, the undersigned _____ am the authorized owner or agent of the owner named in the above application and I hereby certify the truth of all the statements or representations made herein.

Owner / Authorized Agent

Date

APPROVAL

The above application is hereby approved and the permit is issued under the authority of the Corporation of the Town of Perth Business Identity card parking permit policy. This approval is valid for the year in which it is issued.

This permit will not reserve a parking space.

If a parking space is required to be reserved additional payment through the meter bag policy is required.
